NOTICE OF TRAINING ON RECERTIFICATION ELECTION

Dear Representative:

Iowa law requires the Iowa Employment Appeal Board (EAB) to conduct recertification and retention elections for public employers and certified employee organizations. The fall recertification and retention election will take place from October 14 to 28, 2025.

We are conducting a training session on **June 11, 2025, at 2:30 p.m. CST**. We will guide parties through the Fall 2025 election process and answer questions. The training is open to representatives of employers and employee organizations. You may attend in-person at 6200 Park Avenue, Des Moines, Iowa. Please send an email to eab.elections@eab.iowa.gov by June 1, if you wish to attend in-person so we can plan accordingly as seats are limited.

You may also join the training virtually through Google Meet information below:

Finally, we will also record a training session and post it on the EAB's website.

****It is very important the parties understand and fulfill their election duties. Failure to do so could result in decertification of the certified employee organization.****
