REVOCATION OF CERTIFICATION

The Public Employment Relations Act, Chapter 20, Code of Iowa §25.2 (1983) and Chapter 8.2 of the Rules and Regulations of the Public Employment Relations Board [hereinafter the Board] require that all certified employee organizations file an annual report, financial statement and audit with the Board on an annual basis. The Prairie City Education Association has not filed the required documents since 1980, and the Board has sent a number of letters to the association notifying it that failure to do so could result in the Board's revocation of its certification. Subsequently, PERB has been notified by several employees in the bargaining unit that the employee organization is defunct and does not intend to meet the statutory filing requirements.

In light of the above facts, the Board notified the above-named employer and employee organization by certified letter dated April 3, 1984, that unless objections were filed with the Board, by April 30, 1984, the certification of the employee organization would be revoked. No such objections were filed.

Accordingly, the Public Employment Relations Board hereby issues the following:

ORDER

The certification of the Prairie City Education Association, originally issued on October 7, 1975 in PERB Case No. 374, is hereby revoked, pursuant to the Public Employment Relations Act, IOWA CODE §25.6 (1983).

DONE at Des Moines, Iowa this 15th day of May, 1984.
