AMENDMENT OF BARGAINING UNIT AND CERTIFICATION

Upon a petition for amendment of bargaining unit duly filed pursuant to PERB rule 621-4 6(20), the parties filed with the Board a stipulation of bargaining unit as amended, which was tentatively approved by the Board. A public notice of the Board's proposed decision to amend the bargaining unit in accordance with the parties' stipulation, contingent upon the conduct of a representative certification election among the employees to be added to the unit, was posted in conformance with PERB's rules. No objections to the proposed decision were filed.

A representative certification election having subsequently been conducted among the employees proposed for addition to the unit, and a majority of the valid votes having been cast in favor of their representation by the certified employee organization, the Board finds that an order amending the bargaining unit should be entered.

IT IS THEREFORE ORDERED that the bargaining unit of employees of Southern Prairie AEA 15 initially determined in PERB Case No. 3975 and amended in Case Numbers 4194, 5466 and 6779, and the certification of AFSCME/Iowa Council 61, is amended to provide
